### Stylish Pique Gowns.

Pique in dead white, but with its cords so thick that it makes it seem like cloth, is shown in white, wood, stem-green Mazarin and navy blue as well as plaid designs somewhat larger than shepherd's plaid, but with hair lines so crossing each other that an extremely fine plaid is achieved. Scarlet and white, blue and white, black, white, stem-green and white, and purple and white are the contrasts offered in this plaid. The pique dresses are simplicity itself, and as much care is taken to make them fit well as if they were of cloth. A typical one shows the stem-green and white plaid. The skirt has the usual flare, and to increase it there are two rows of skirt boning around the lower edge. The jacket bodice is somewhat longer than those worn during the winter, and flares away from the front to show a waist-

coat of stem-green cloth fastened with bullet pearl buttons.

The broad revers on the coat are of the pique, and the high stock is of stem-green taffeta ribbon with a large bow in the back. The full sleeves shape into the arms, and each has three rows of bullet buttons on the upper side. With this is worn a sailor hat of white straw having about it a bow of stem-green ribbon, while five stiff stalks of mignonette stand up on the left side. The gloves are of glace kid closing with four large buttons.—Isabel A. Mallon in May Ladies' Home Journal.

A copy of The Herald, Monticello, Ind., gives an account of the marriage of Rev. W. E. Biederwolf to Miss Ida Casad of that place. The newly wedded couple sailed last Tuesday for Europe, where they will spend the next two years.

### Perfect Wisdom

Would give us perfect health. Because men and women are not perfectly wise, they must take medicines to keep themselves perfectly healthy. Pure, rich blood is the basis of good health. Hood's Sarsaparilla is the one true blood purifier. It gives health because it builds up the true foundation—pure blood.

Hood's Pills are purely vegetable, perfectly harmless, always reliable and beneficial.
